

Hazardous Waste Generator Improvements Rule Federal Regulation and State Rule Crosswalk

Federal Rule Citation (40 CFR...)	Description of Revision of Federal Regulation	State Rule Citation (where Federal Rule will be Incorporated by Reference) (15A NCAC 13A...)
260.3	Revised Introductory text for "Use of number and gender". Changes from "Parts 260 through 265 and 268" to "260 through 273"	.0101(d)
260.10	Definitions added for Acute HW, Central accumulation area, Large quantity generator, non-acute HW, and VSQG. Removes definition for "Performance Track member facility". Revises definition for SQG, and heading revisions for Treatability study, Universal waste handler, Universal waste transporter.	.0102(b)
260.11	Revised heading from "References" to "Incorporation by reference"	.0101(e)
261.1	Revised CESQG to VSQG and removal of a typo in "scrap metal"	.0106(a)
261.4	Revised "unless it is" to "provided it is not" speculatively accumulated	.0106(a)
261.5	Removed and reserved	.0106(a)
261.6	Adds biennial reporting requirement for recyclers in 261.6	.0106(a)
261.33	Revised introductory text to remove reference to conditionally exempt generator citation.	.0106(d)
261.420	Adds Personnel Training requirement for facilities who accumulate more than 6000 kg of HSM	.0106(i)
262.1	Adds to Subpart A, "Terms used in this part." Including the terms "Condition for exemption" and "Independent requirement",	.0107(a)
262.10	Revised the purpose, scope and applicability	.0107(a)
262.11	Revised the waste determination language and adds specific language: accurate, point of generation	.0107(a)
262.12	Removed and reserved	.0107(a)
262.13	Added generator category determination based on quantity and type of HW generated	.0107(a)
262.14	Adds conditions for exemption for a very small quantity generator	.0107(a)
262.15	Adds satellite accumulation area regulations for SQGs and LQGs	.0107(a)
262.16	Adds conditions for exemption for a SQG of HW	.0107(a)
262.17	Adds conditions for exemption for a LQG of HW	.0107(a)
262.18	Adds EPA ID numbers and re-notification requirements for SQGs and LQGs	.0107(a)
262 Subpart B	Revises the heading to: "Subpart B - Manifest Requirements Applicable to Small and Large Quantity Generators"	.0107(b)
262 Subpart C	Revises the heading to: "Subpart C-Pre-Transport Requirements Applicable to Small and Large Quantity Generators"	.0107(c)

Hazardous Waste Generator Improvements Rule Federal Regulation and State Rule Crosswalk

Federal Rule Citation (40 CFR...)	Description of Revision of Federal Regulation	State Rule Citation (where Federal Rule will be Incorporated by Reference) (15A NCAC 13A...)
262.32	Revises and adds pre-transportation marking requirements	.0107(c)
262.34	Removed and reserved	.0107(c)
262.35	Adds liquid in landfill prohibition	.0107(c)
262 Subpart D	Revises the heading to: "Subpart D-Recordkeeping and Reporting Applicable to Small and Large Quantity Generators"	.0107(d)
262.40	Revised reference back to 262.11(f) for recordkeeping requirements for documenting hazardous waste determination	.0107(d)
262.41	Revised biennial report requirements	.0107(d)
262.43	Revised additional reporting citation	.0107(d)
262.44	Revised heading to "Record keeping for small quantity generators" and wording to SQG instead of volume amounts	.0107(d)
262 Subparts I and J	Removed and reserved	N/A
262.200	Removed definition of Central accumulation area and revised definition for "Trained professional"	.0107(g)
262.201	Revised CESQG to VSQG and the rule citation for SQG and LQG	.0107(g)
262.202	Revised CESQG to VSQG and the rule citation for SQG and LQG	.0107(g)
262.203	Revised CESQG to VSQG	.0107(g)
262.204	Revised CESQG to VSQG and the rule citation for SQG and LQG	.0107(g)
262.206	Revises punctuation error (removes period at the end of (b)(3)(iii) and replaces it with a colon)	.0107(g)
262.207	Revised citation for waste determination	.0107(g)
262.208	Increases interval from 6 months to 1 year for the removal of unwanted material from the laboratory	.0107(g)
262.209	Revised CESQG to VSQG	.0107(g)
262.210	Revised citation for waste determination	.0107(g)
262.211	Revised citations SQGs and LQGs and waste determination	.0107(g)
262.212	Revised citation for waste determination	.0107(g)
262.213	Revised CESQG to VSQG and updated rule citations, changed "reactive acutely hazardous unwanted material" to "liquid reactive acutely hazardous material" in (a)(1)	.0107(g)
262.214	Revised rule citation references	.0107(g)
262.216	Revised rule citation references	.0107(g)
262 Subpart L	Heading added "Subpart L - Alternative Standards for Episodic Generators"	.0107(h)
262.230	Added applicability language	.0107(h)

**Hazardous Waste Generator Improvements Rule
Federal Regulation and State Rule Crosswalk**

Federal Rule Citation (40 CFR...)	Description of Revision of Federal Regulation	State Rule Citation (where Federal Rule will be Incorporated by Reference) (15A NCAC 13A...)
262.232	Added conditions for a generator managing HW from an episodic event	.0107(h)
262.233	Added requirements to petition to manage one additional even per calendar year	.0107(h)
262 Subpart M	Added Heading "Subpart M - Preparedness, Prevention, and Emergency Procedures for Large Quantity Generators"	.0107(i)
262.250	Added applicability language	.0107(i)
262.251	Added maintenance and operation of facility for LQG	.0107(i)
262.252	Added required equipment	.0107(i)
262.253	Added testing and maintenance of equipment requirements	.0107(i)
262.254	Added access to communications or alarm system	.0107(i)
262.255	Added required aisle space	.0107(i)
262.256	Added arrangements with local authorities	.0107(i)
262.260	Added purpose and implementation of contingency plan	.0107(i)
262.261	Added content of the contingency plan	.0107(i)
262.262	Added copies of contingency plan	.0107(i)
262.263	Added amendment of contingency plan	.0107(i)
262.264	Added emergency coordinator	.0107(i)
262.265	Added emergency procedures	.0107(i)
263.12	Added information for when wastes are consolidated at a transfer facility	.0108(a)
264.1	Revised to update rule citation references for VSQG	.0109(b)
264.15	Removed reference to Performance Track member	.0109(c)
264.71	Revised rule citation references to generator rules	.0109(f)
264.75	Revised requirements for biennial reporting for permitted facilities	.0109(f)
264.170	Revised wording from "store containers of HW" to "store HW in containers"	.0109(j)
264.175	Removed reference to Performance Track member	.0109(j)
264.191	Revised wording from "unfit" to "fit" as far as tank assessment of existing tank system's integrity	.0109(k)
264.195	Removed reference to Performance Track member	.0109(k)
264.1030	Revised reference to 262.34 to 262.17 (for LQG requirements)	.0109(v)
264.1050	Revised reference to 262.34 to 262.17 (for LQG requirements)	.0109(w)
264.1101	Removed reference to Performance Track member	.0109(y)
265.1	Revised to update rule citation references for VSQG	.0110(a)
265.15	Removed reference to Performance Track member	.0110(b)
265.71	Revised rule citation references to generator rules	.0110(e)
265.75	Revised requirements for biennial reporting for interim status facilities	.0110(e)

**Hazardous Waste Generator Improvements Rule
Federal Regulation and State Rule Crosswalk**

Federal Rule Citation (40 CFR...)	Description of Revision of Federal Regulation	State Rule Citation (where Federal Rule will be Incorporated by Reference) (15A NCAC 13A...)
265.174	Removed reference to Performance Track member	.0110(i)
265.195	Removed reference to Performance Track member	.0110(j)
265.201	Removes SQG Tank requirements from 265	.0110(j)
265.1030	Revised reference to 262.34 to 262.17 (for LQG requirements)	.0110(s)
265.1050	Revised reference to 262.34 to 262.17 (for LQG requirements)	.0110(t)
265.1101	Removed reference to Performance Track member	.0110(v)
266.80	Revised reference to notification (from 262.12 to 262.18)	.0111(c)
266.255	Revises reference to generator rules from 262.34 to 262.16 and 262.17	.0111(f)
267.71	Revises reference to generator rules from 262.34 to 262.16 and 262.17	N/A
268.1	Revises reference to VSQG by referring to definition in 260.10	.0112(a)
268.7	Revises reference to generator rules from 262.34 to 262.15, 262.16 and 262.17	.0112(a)
268.50	Revises reference to generator rules from 262.34 to 262.16 and 262.17	.0112(e)
270.1	Revises intro to include 268 and revises reference to generator rules from 262.34 to 262.14, 262.15, 262.16 and 262.17	.0113(a)
270.42	Removed reference to Performance Track member	.0113(g)
271.10	Revises reference to generator rules from 262.34 to 262.16 and 262.17	N/A
273.8	Revised heading and citations from CESQG to VSQG	.0119(a)
273.81	Revises wording from CESQG to VSQG	.0119(g)
279.10	Revises wording from CESQG to VSQG and citation from 261.5 to 262.14	.0118(b)
